Pool Set to Open May 23

Plans are for the Tipton Country Club Pool to open May 23 in conjunction with a Pool Fundraiser 3-Man Golf Tournament. Hours for the Pool this season will be from 12-8 PM every day of the week. Of course, the Board of Directors asks that patrons be smart and practice Social Distancing as much as possible. We are excited about being able to get the Pool open on time this season.

Action Plan

The Board of Directors is considering priorities in addressing some of the Club's needs. The following is a list that has been created and is to be prioritized.

- Irrigation
- Drainage/Grass
- Cart Sheds
- Parking Lots
- Fence Lines
- House

If you have any input onto which of these need to be the highest priority, please feel free to contact any Board Member or email us at tiptonmocountryclub@gmail.com

New Product to Hit Club House

The Club House continues to add new product in an effort to give members and their guests what they want. As noted last month, the addition of small "airline" style bottles of Wild Turkey American Honey and Fireball has been well received. We have also added new Tipton Country Club Hats and will soon have T-Shirts and plans are to start carrying Ice Cream Sandwiches and some Push Up Popsicles to go along with our existing menu. Please feel free to let us know if you would like to see something in particular carried in the Club House.

Signs Put Up in Cart Sheds

Name signs have been put up in the Cart Sheds with the last name of the person whose cart is to be parked there. These signs will help eliminate confusion when someone needs a spot in one of the sheds.

Financials at-a-Glance

Income Dec 2019-April 2020

\$80,009.15
